“When this conference was founded in 1996, our goal was to create an event that will focus on leadership on stage speaking to leadership in the audience. We are clearly meeting that goal,” said ECGC co-founder Michael Pollock.

This roster of keynoters will be supported by a wide range of leading regulators, suppliers, investors and other experts who will address a broad array of topics that are central to the future of gaming. The conference will also present a Lifetime Achievement Award to David Rebeck, Director of the New Jersey Division of Gaming Enforcement.

Past ECGC speakers have included six governors of New Jersey, as well as all CEOs who have ever led the American Gaming Association. The conference will again provide outstanding opportunities for sponsorships, networking, professional development, and business-to-business discussions.
