

# Bitline by Ibanera Set to Make Its European Debut at ICE London 2024

**Miami, Jan. 02, 2024 (GLOBE NEWSWIRE)** -- Bitline By Ibanera, along with Everi are gearing up for its debut at ICE London 2024, where Casino Industry innovation takes center stage. The anticipated event is scheduled to unfold from February 6 to 8, 2024, at the prestigious ExCeL London.

## **About ICE London 2024: A Stage for Innovation**

ICE London 2024 stands as the epitome of global gaming and gambling, attracting industry visionaries and trailblazers. Over three dynamic days, the event will showcase groundbreaking technology, strategic insights, and unparalleled networking opportunities.

## **Bitline By Ibanera: Redefining the Casino Experience**

Under the leadership of Co-Founder and CEO Richard Jones, Bitline By Ibanera is poised to revolutionize the gaming payments landscape. The Bitline platform facilitates direct access to casino chips from cryptocurrency and digital asset holdings within physical casino environments. This innovative solution empowers cryptocurrency owners to access liquidity swiftly, without triggering taxable events, presenting a game-changing paradigm for the global casino payments industry.

In the words of Richard Jones, CEO of Bitline By Ibanera: "We are thrilled to unveil Bitline at ICE London 2024 with Everi. This marks the beginning of a new era for casino payments, and we are excited about our ability to bring this technology to Europe."
